Dear Mr. Geiser,

On behalf of the school community of Wilmington Park Elementary School, I want to express our great appreciation for your generous donation and efforts, and those of your Wedgewood Family in making Wilmington Park a better place for learning. It was a wonderful event enjoyed by all in attendance, and sent an extremely positive and powerful message to the students-that they are important and cared about.

By your actions you have demonstrated to the students of Wilmington Park that good citizenship does not end in school. Good citizenship is a trait that lasts a lifetime. Thank you again for making us feel special and for leaving our school

"A better place than you found it".

Sincerely,

A handwritten signature in blue ink that reads "Adriana M. Nakano".

Adriana M. Nakano
